

### SEEKING GOD'S WORD

Many came from different parts of Kenya just to seek for God's face during the overnight prayers (*Kesha*).

The hall was packed to capacity clearly indicating the people's thirst for the word of God.

**Congregation receptive to God's word**

The main theme came from the book of Romans 12 Verse 1 'Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God--this is your true and proper worship'. The word was deeply divided by a man of God, Pr. Charles Odipo from Trans-Nzoia County.

**New converts being led to Christ**

During the alter call, Over 10 people got saved and as Heaven was celebrating, we too were celebrating the birth of these new creations. Glory to the most high God.

### **Through Imani, I am living my dream of serving God through Music.**

As a young upcoming gospel artist, and a physically challenged person, Douglas Wafula hails from Makutano Ngozi Trans-Nzoia County.

Douglas was not born lame; he was not privileged to be given the polio vaccine which later affected his limbs. Due to his condition he was not taken to school. He was forced to learn other skills to be able to provide for himself. He is a cobbler and says he is good at his work.

### **Douglas showing his legs that were affected**

Douglas says he has all the reasons to thank Imani Radio and TV ministries for being of great help in nurturing his gift of singing through playing his songs on radio, inviting him over for keshas (night vigil) and evangelistic campaigns. These he says has given him an opportunity to exercise his talent and reach out to more people within and outside the country. "I am so much humbled by this great opportunity they have always given me, may God bless Imani".

Being a man with a young family, it has always been his desire and his entire family to serve the Lord and that is why whenever he gets an opportunity, he always grabs it with his two hands regardless of the physical challenge he has. Joshua 24:15

Douglas believes that through the ministry of Imani, his dream to take the gospel throughout the world through singing will one day come true.
